Audit—Receipts and accounts of stores and stock—Regulations under Government of India (Audit and Accounts) Order, 1936.

Fort St. George, June 12, 1939
(G.O. No. 189, Finance).

No. 38

In exercise of the powers conferred by sub-paragraph (2) of paragraph 13 of the Government of India (Audit and Accounts) Order, 1936, and in supersession of Regulation 2, published with Finance Department Notification No. 32, dated the 1st April 1937, at page 25 of Part I of the *Fort St. George Gazette*, dated the 1st April 1937, His Excellency the Governor of Madras is hereby pleased, after consultation with the Auditor-General of India, to make the following regulations:—

REGULATIONS FOR THE CONDUCT OF THE AUDIT OF RECEIPTS.

1. It is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realised and credited to the Public Account and any investigation by Audit must be so conducted as not to interfere with this executive responsibility. Audit shall, however, have power to examine the correctness of the sums brought to account in respect of receipts of any department in such manner and to such an extent as may be determined by the Government in consultation with the Accountant-General.

2 In conducting the audit of receipts of any Government department, the chief aim should be to ascertain that adequate regulations and procedure have been framed to secure an effective check on the assessment, collection, and proper allocation of revenue, and to see by an adequate detailed check that such regulations and procedure are being observed. In the audit of receipts ordinarily, the general is more important than the particular.

3. In the audit of receipts it would be necessary in the case of a department, which is a receiver of public money, to ascertain what checks are imposed against the commission of irregularities at the various stages of collection and accounting and to suggest any appropriate improvement in the procedure. Audit might, for instance, suggest in a particular case that a test inspection should be carried out by comparing a sample set of receipt counterfoils with the receipts actually in the hands of the tax-payers or other debtors, the results of such an inspection being made available to Audit.

In no case, however, should independent enquiries be made among the tax-payers or the general public. Audit should confine itself to calling upon the Executive to furnish the necessary information and, in cases of difficulty, it should confer with the Administrative Authorities concerned as to the best means of obtaining the evidence which it requires.

4. The audit of receipts should be regulated mainly with reference to the statutory provisions or financial rules or orders which may be applicable to the particular receipts involved. If the test check reveals any defect in such rules or orders, the advisability of amending the rules and orders should be brought to notice.

It is, however, rarely if ever the duty of audit to question an authoritative interpretation of such rules or orders, and in no case may Audit review a judicial decision, or a decision given by an Administrative Authority in a quasi-judicial capacity. This restriction does not, however, debar an auditor from bringing to notice any conclusion deducible from the examination of the results of a number of such decisions.

5. Where any financial rule or order applicable to the case prescribes the scale or periodicity of recoveries, it will be the duty of Audit to see, as far as possible, that there is no deviation without proper authority from such scale or periodicity. When the check cannot be exercised centrally, a test audit may be conducted at local inspections, the aim being to secure that disregard of rule or defects of procedure are not such as to lead to leakage of revenue, rather than to see that a particular debt due to the Government was not realised at all or on the due date.

6. Ordinarily, Audit will see that no amounts due to the Government are left outstanding on its books without sufficient reason. Audit will continue carefully to watch such outstandings and suggest to departmental authorities any feasible means for their recovery. Whenever any dues appear to be irrecoverable, orders for their adjustment should be sought. But unless permitted by any rule or order of a competent authority, no sums may be credited to the Government by debit to a suspense head; credit must follow, and not precede, actual realization.

7. The procedure prescribed by the Auditor-General for raising and pursuing audit objections in relation to expenditure, including powers of Audit Officers to waive recovery of Government dues under certain conditions, shall apply *mutatis mutandis* in respect of audit objections on any accounts of receipts.

REGULATIONS FOR THE CONDUCT OF THE AUDIT OF STORES AND STOCK ACCOUNTS.

1. The audit of stores accounts kept in any office of department of the Government shall be directed to ascertain that the departmental regulations governing purchase, receipt and issue, custody, condemnation, sale and stock-taking of stores are well devised and properly carried into effect, and to bringing to the notice of the Government any important deficiencies in quantities of stores held, or any grave defects in the system of control.

2. As regards purchases of stores, Audit will see that—

(i) such purchases are properly sanctioned, are made economically and in accordance with any rules or orders made by the competent authority for the purchase of stores required for the public service: in particular when stores are purchased from contractors the system of open competitive tender is adopted and the purchase is made from the lowest tenderer unless there are recorded reasons to the contrary;

(ii) the rates paid agree with those shown in the contract or agreement made for the supply of the stores;

(iii) certificates of quality and quantity are furnished by the passing and receiving Government servants before payment is made, except where the contrary is allowed by the rules of the Government regulating the purchase of stores; and

(iv) purchase orders have not been split up so as to avoid the necessity for obtaining the sanction of higher authority required with reference to the total amount of the orders.

Audit may call attention to cases of uneconomical purchases of stores and to any losses, which may be clearly and definitely attributed to the defective or inferior nature of stores which were accepted and certified to be satisfactory in quality.

3. Audit should ascertain that the accounts of receipts of stores whether purchased, or otherwise obtained, and of their issues and balances are correctly maintained. Where a scale has been prescribed by the Government or other authority for the issue of stores of any particular kind it should be seen that the scale is not exceeded.

4. Stores, in many cases, represent a locking up of capital, which is not justifiable unless essential. In order to effect economy in this direction, Audit will see that the balance in hand does not exceed the maximum limit prescribed by competent authority and is not in excess of requirements for a reasonable period.

5. The accounting for and maintenance of unserviceable stores which cannot be utilized by the department in whose custody they are kept involve waste of labour and space. The retention of stores in excess

of the probable requirements of the department in the near future may result in loss to the Government through deterioration. Audit will, therefore, see that measures are taken to survey, segregate and consider the disposal of unserviceable, surplus and obsolete stores in accordance with the procedure prescribed by the Government in this behalf.

6. It is an important function of Audit to ascertain that the articles are counted periodically and otherwise examined to verify the accuracy of the quantity balances in the books. Audit shall not, except when specially authorized to do so, assume responsibility for the physical verification of stores, but it has the right to investigate balances of stores, if any discrepancies in the stores accounts suggest that such action is necessary. Audit has, however, to see that a certificate of verification of stores is recorded periodically by a responsible authority, that the system of verification adopted by the Executive is adequate and proper, that discrepancies found on stock-taking are properly investigated and adjusted and that, wherever possible, the staff responsible for the verification is independent of the staff which is responsible for the physical custody of the stock or for keeping accounts of such stock. It should also be seen that, wherever practicable, verifiers of stock work directly under the control of the Government, and not under the heads of individual departments.

7. Where a priced account is maintained, Audit will see—

(i) that the stores are priced with reasonable accuracy and the rates initially fixed are reviewed from time to time, correlated with market rates and revised where necessary;

(ii) that the value accounts tally with the accounts of works and of departments connected with stores transactions that the total of the value account tallies with the outstanding amount in the general accounts; and that the numerical balance of stock materials is reconcilable with the total of value balances in the accounts at the rates applicable to the various classes of stores; and

(iii) that steps are taken for the adjustment of profits or losses due to revaluation, stock-taking, or other causes, and that these are not indicative of any serious disregard of rules.

8. The procedure for the conduct of audit of any stores and stock accounts and the extent to which those accounts should be examined by Audit will be such as may be agreed upon between the Government and the Accountant-General.

9. The procedure prescribed by the Auditor-General for raising and pursuing audit objections in relation to expenditure shall generally apply in respect of audit objections on any accounts of stores and stock. Where necessary separate rules of procedure shall be laid down by the Accountant-General with the concurrence of the Government.

W. SCOTT BROWN,
Secretary to Government.

No. 20-T. (21)/39.—In exercise of the powers conferred by sub-section (2) of section 3 of the Indian Tariff Act, 1934 (XXXII of 1934), and in supersession of the notification of the Government of India in the Department of Commerce, No. 780-T. (11), dated the 24th December 1932, the Central Government is pleased to make the following rules:—

RULES.

1. *Short title.*—These rules may be called the United Kingdom-India Trade Agreement Rules, 1939.

2 *Application.*—These rules apply to goods consigned from the following countries, namely:—

(a) The United Kingdom of Great Britain and Northern Ireland, and

(b) the Colonies, British Protectorates, and territories under the British Mandate specified in the First Schedule.

3 *Definition.*—In these rules—

(a) "Act" means the Indian Tariff Act, 1934 (XXXII of 1934);

(b) "British Colony" means any country specified in the First Schedule;

(c) "expenditure on material" means the cost to the manufacturer of the material at the factory or works, including containers but excluding royalties;

(d) "factory or works cost" means the cost of production to the manufacturer at the factory or works and shall include the value of containers and other forms of interior packing ordinarily sold with the article when it is sold retail, but shall not include the manufacturer's or exporter's profit or the cost of exterior packing, carriage to port and other charges incidental to the export of the article subsequent to its manufacture; and

(e) "United Kingdom" means the United Kingdom of Great Britain and Northern Ireland.

4. No article shall be deemed to be the produce or manufacture of the United Kingdom or a British Colony unless the Customs Collector is satisfied—

(1) subject to the provisions of rule 5 that the article has been consigned from such country; and

(2) (a) where the article is unmanufactured, that it has been grown or produced in such country and

(b) where the article is manufactured—

(i) that it has been wholly manufactured in such country from material produced in such country; or

(ii) that it has been wholly manufactured in such country from unmanufactured materials; or

(iii) that it has been partially manufactured in such country and that the final process of manufacture has been performed in such country, and that the expenditure on material produced and labour performed in such country in the manufacture of the article is not less in the case of an article specified in the Second Schedule than one-half and in the case of other articles than one-quarter of the factory or works cost of the article in its finished state:

Explanation.—For the purposes of sub-clause (iii) of clause 2 (b) the final process of manufacture shall not be deemed to have been performed in any country in which no process other than a process of mixing, bottling, labelling, packing into retail containers or the like has been performed, but where such process as aforesaid has been performed in the country in which the final process of manufacture has also been performed nothing herein shall render the cost of such process ineligible for inclusion in the computation of the fraction of the factory or works cost of the article in its finished state which represents expenditure on material produced and labour performed in that country.

5 Articles of a description specified in the first column of the Third Schedule which have been consigned from the United Kingdom but are in other respects eligible under rule 4 to be deemed to be the produce or manufacture of a country specified in the corresponding entry in the second column thereof shall be deemed to be the produce or manufacture of that country, notwithstanding the fact that they were not consigned therefrom.

(b) such claim is made by the owner at any time before delivery of the goods is taken.

NOTE.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of fifty, the candidates that so elect that centre will be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Due notice will be given to the candidates concerned.

4. *If a candidate who belongs to one Indian State selects a centre in another Indian State he should submit his application for admission to the examination through the educational authorities of the State to which the centre selected belongs, so that they may have an opportunity of disallowing the selected centre and directing the candidate to select a centre in the State of which he is a resident. When objection is not taken, candidates may conclude that their names will be registered for examination at the centres mentioned by them in their applications.*

5. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the centre of examination entered in his application which must invariably be the place where he is employed or ordinarily resides or should it not be a centre the place nearest to it where the examination is held. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination cancelled.

6. Candidates whose Examinations, either Written or Oral and Practical, cannot be arranged for at any place must, at their own expense, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear. The Oral and Practical Examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

7. To guard against disappointment in the case of such of the Oral and Practical Examinations as may be held after the Written Examinations, candidates are recommended to refer to Part I-B of the *Fort St. George Gazette* from time to time, as no intimation will be sent to them.

SCALE OF FEES, WHEN AND WHERE TO BE REMITTED BY CANDIDATES.

8. The following is the scale of fees to be paid by candidates for admission to the examinations :—

	Lower grade.	Higher grade.
	Rs.	Rs.
For each subject	6	12

NOTE.—(a) The examinations in the subjects under "Pharmacy" group will be in the Higher grade only, there being no examination in the Lower grade in these subjects.

(b) Candidates who have passed the examination in Indian Music may appear for the same grade at a subsequent session for the *Practical Test* alone, with a view to have their proficiency, either in vocal or Pathrom-ppi, again tested.

The scale of fees for the additional *Practical Test* in rupees three (Rs. 3) only for the Lower grade and rupees six (Rs. 6) only for the Higher grade.

NOTE.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

9. (a) Candidates who have passed in the Second Class in any subject and grade may come up to qualify for the First Class in that subject and grade on paying the full examination fee.

NOTE.—Candidates coming under this category must specify to this effect in their applications.

(b) Where the subject is one in which the examination is divided into stages—for example, Tailoring—candidates having failed in one or two sections in the subject and grade may come up in that section or sections on paying the full examination fee that is prescribed for that particular grade they wish to apply.

10. (a) Candidates who are employees of the Government of Madras and who desire to be exempted from payment of the prescribed fees, should send in (so as to reach this office on or before the dates specified under paragraphs 18 and 19) their applications through the head of the office, to which they are employed, together with a certificate from the appointing authority to the effect—

(i) that the candidate is at the time of the application undergoing probation and training and that the Government Technical Examination (subjects with grade in be specified) is prescribed as part of his probation and training whether recruited direct or by transfer,

or

(ii) that it is prescribed as qualification necessary for the candidate to continue in his post without penalty,

or

(iii) that it has been newly imposed on the candidate already in the service concerned.

(b) The applicants should furnish the following particulars also through the officer granting them the certificate for exemption from payment of fees :—

(1) the specific clause (vide (i), (ii) and (iii) above) under which the applicant's case is covered,

(2) if the applicant's case is covered by clauses (ii) or (iii), the subject with grade for which, the year, the session (i.e., the month) of examination when, the centre where and the number of times he appeared for the examination availing himself of the concession of exemption from payment of fees ; or if the fee paid was ever at any time previous to this refunded to him the year and the session of examination to which such refund related as also the amount of refund made in respect thereof.

(c) Certificates for exemption from payment of fees submitted by candidates in respect of previous sessions of examination cannot hold good for the session they are applying and no copy of certificate can be accepted. It is therefore incumbent upon the candidates to obtain afresh from the appointing authority and submit the same along with the prescribed application form duly filled up.

In the absence of the particulars required above, the applicants will distinctly understand that their cases will not be considered.

11. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Reserve Bank of India and the receipt given by the Treasury Officer or the Reserve Bank of India attached to the application, which must in every case reach the Commissioner's office on or before the 31st August.

12. Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of one rupee each and no such applications will be entertained after the lapse of fifteen days from the prescribed date.

13. On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M. O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the Treasury Officer to whom the amount was sent and forward the receipt as obtained to this office at once—care being taken to see that this receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's office by the date prescribed.

14. The fees paid, will not, ordinarily, be refunded or will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the Notification carefully and satisfy themselves before remitting their fees, that they fulfil the prescribed conditions of admission to the examinations and that they can, if necessary, proceed at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and Practical examinations.

APPLICATION FORMS—PROCURING OF—FILLING IN AND THE SUBMISSION OF APPLICATIONS, OR OF BEFORE THE 31ST AUGUST.

15. Applications prepared in manuscript or typewritten forms or forms intended for other examinations will not be accepted.

16. Candidates in the mufassal should obtain the required application forms from the treasury of the taluk in which they are residents or of the district to which they belong. Candidates in Mysore and Hyderabad States should obtain the same from the Resident's Treasury; those in Travancore, Cochin and Pudukottah States from the Resident's Treasury, Trivandrum; and those in Coorg from the Treasury Officer, Coorg, Mercara. **Candidates who are residents of Madras should apply for application forms to the Secretary to the Commissioner for Government Examinations, Cathedral Post Office (Madras) and not to the Collector of Madras.**

19. To admit of the applications reaching the Secretary to the Commissioner for Government Examinations on the due date, candidates should remit their fees sufficiently early even three or four days before the latest date so that the application together with their enclosures may reach this office on or before the prescribed date for receipt of applications.

20. Candidates should write their names in Block capitals, their father's names and their home names *(caste title* and in *full* in their applications; if 'Hindus' they should state in column 3 of their applications who he they are "Brahmans' or 'Non-Brahman Hindus,' or 'members of Scheduled classes.'

NOTE.—Women candidates should write the letter 'W' in brackets against their names in column 1 of their applications.

21. Only one centre ought to be selected by each candidate, although he may offer several subjects for examination and come up for different grades. The centre selected must invariably be the place where he is employed or ordinarily resides (vide notes under the heading "Centres of examinations"). All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications and also the names of applicants) by the head of that institution, no application of any private candidate being enclosed with these applications.

22. Every application should contain satisfactory proof of the applicant's general educational attainments by reason of which he is eligible to appear for the examinations in the subjects and for the grades in them brought up by him.

NOTE.—(1) (a) In the case of those candidates who have completed the Secondary School Leaving Certificate, full particulars will be furnished in the name of school, the year when and the serial number of the certificate; and

(b) In the case of those who have passed the Matriculation or F.A. or Intermediate in Arts, or B.A. Degree Examinations, full particulars with regard to the date and page of the *Fort St. George Gazette* announcing their success in the examination, as the case may be, should be correctly furnished in the columns provided for the purpose in the prescribed application form for admission to the Government Technical Examinations;

(c) Those who do not come under (b) or (b) supra should take care to see that the certificate either of A or B on the reverse of the application form, is submitted with the mark or duly made in it and certified accordingly by the authorities concerned, and

(d) those who come under the category at (c) supra and whose general educational qualification is lower than that prescribed under Article 5 of the Notification regulating the Government Technical Examinations, should submit also a certificate from a competent person, that is, from one who has passed the Advanced or the Final grade examination, to the effect that the knowledge possessed by the applicants is up to the standard of the grade for which the candidates are applying.

(2) Candidates who do not possess the required general educational qualification but have appeared and failed in a particular subject in a grade, or were once permitted by the Commissioner to come up for a particular subject and for a particular grade will be admitted provided that they are appearing in the same subject and for the same grade and that in the former case, they quote in their applications for admission to the examinations, the year when they failed and the centre at which they appeared and in the latter case, the number and order of the Commissioner granting them the permission.

23. The subject the applicant desires to be examined in should be specified exactly as it is described in the Notification regulating the Government Technical Examinations or as they are described in this notice under the heading "Subjects of Examinations."

24. The occupation or profession of candidates, or the appointments held by them and their addresses (postal address) should invariably be stated in full in column 10 of their applications.

NOTE.—Candidates should particularly see that they do not fail to write and date their applications at the columns provided for the purpose.

25. Heads of institutions are requested to see, before the certificate at the foot of the application form is signed by them, that their institution has been recognised by the Director of Public Instruction, Madras, or by the Director of Industries, Madras, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their pupils and that they quote in the applications the number and date of the proceedings of the authority that accorded such recognition.

N.B.—Heads of institutions recognised for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical Examinations.

To guard against disappointment, candidates are recommended to refer to that notification before they come up for the examination.

NOTIFICATION—SYLLABUSES AND GENERAL INSTRUCTIONS TO CANDIDATES.

29. Information regarding the conditions of admission to each grade of examination, groups of subjects for which Group Certificates and Diplomas shall be awarded, etc., will be found in the Notification regulating the Government Technical Examinations.

30. The nature and scope of the examination in each subject are given in the syllabus for that subject. Ordinarily the examinations shall be Written, Oral and Practical and the candidate must appear for the whole at one and the same session of examination. In the syllabus also will be found given the distribution of marks among the Written, Oral and Practical portions of the examinations and the minima required for passing in each class in each subject and the names of the text-books recommended to be studied in case any text-books are recommended. Where no text books are mentioned in the syllabus, it must be presumed that no text-books have been recommended.

31. For any further information that may be required candidates are referred to the (revised and up to-date) Notifications regulating the Government Technical Examinations embodied in the Calendar of the Commission for Government Examinations, Madras, and to the syllabuses for the different subjects, copies of both of which can be had on payment at the Government Press, Mount Road, Madras. No copies either of the Calendar, or of the syllabuses can be furnished to candidates from the Commissioner's Office.

32. No copies of previous year's Question Papers can be furnished. No information as to where they can be had is available in this office.

34. Candidates are further informed that **no hall tickets are issued and that no notice will be taken of any letter** from them requesting to be informed of their Register Numbers as they are expected to learn these from the extract of the Nominal List that will be posted at the entrance to the hall at each place of examination two days before the commencement of the examinations.

Further, candidates are expected to note carefully whether their names have been printed in the nominal list and whether the particulars printed tally with those as given by them in their applications for admission to the examinations so that any alteration with regard to their initials, name or class of community or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent and to this office.

With a view to prove their identity to the Chief Superintendent of the examination, candidates are required to produce on the first day of their appearance for the examination, an identification certificate from a responsible person, preferably a Government official. Candidates appearing from recognized or aptroved schools should also obtain a similar certificate from the head of the institution concerned.

Board of Revenue, Madras, 18th July 1939.

Rules for issue, etc., of licences for tapping of toddy-producing trees and for drawing of toddy.

No. 9.—In virtue of the powers delegated under clause XI of Government Notification No. 486, dated 15th July 1896, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, as amended by Government Notification No. 102, dated 15th March 1924, and in supersession of Commissioner's Notification No. 7, dated 25th July 1933, the Commissioner of Excise and Separate Revenue hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1936:—

(1) The villages in the Agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiris district excluding the Gudalur taluk and the Attapadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of coconut toddy arrack;

(c) of toppers on their own application in the South Kanara district provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(d) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the Kovali, Atmakur, Nellore and Kavur taluks of the Nellore district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale;

(e) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(f) of toddy shopkeepers in the Pudukottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and of toddy renters in the Cochin State; and

(g) of any member of a hill tribe whether a tree-owner or not residing in Simhachalam, Adivivaram, Madhuravada and Medasaravu villages of Vizagapatam taluk or in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (b) (d) and (e) the licences may be issued in the name of the applicant himself or of his nominee, and in cases (a), (c), (f) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the district treasury or a taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (a) and (c) the tree-tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorized village munsif in the same taluk, and the renters concerned should affix a declaration in the applications to the effect that they have obtained a licence permanent or temporary for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the application and fees are presented to these officers. Pudukottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officers; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headman of the village in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries of the Madras Government and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. (1) Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Koilkuntla Sub-Treasury, the rate being the same as in the Karnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

(2) Toddy shopkeepers in British territory adjoining Cochin State may be allowed to tap trees in that State on payment of full tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. A Cochin State renter applying for trees in British territory must pay full tree-tax in one instalment at the higher of the rates prevailing on both sides of the frontier, into a British treasury, and present to the British Tahsildar or Deputy Tahsildar concerned an application which must be certified or countersigned by the Circle Inspector of the division within whose jurisdiction the shop is situated. The British Circle Inspector to whom the application is forwarded shall have discretion to refuse to comply with an application either wholly or in part. The currency of the licences and permits issued by the British Circle Inspector shall correspond with the periods for which licences for tapping are granted under the tree-tapping rules in

force in the Cochin State. The licences and permits issued to the State renter by the British Inspector shall be liable to suspension or cancellation at the request of the Cochin State Excise officer.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8 (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district, in the Kovali, Atmakur, Nellore and Kovur taluks of the Nellore district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dodasal (Areca Nuts) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for:—

C. RAGHAVAN,

Madras, 19th July 1939.

Revised rules for grant of licences to Customs clearing agents and brokers under section 202 of the Sea Customs Act.

In supersession of all previous rules and notifications on the subject, the following rules are prescribed by the Collector of Customs, Madras, for the grant of clearing agent's and broker's licences under section 202 of the Sea Customs Act. These rules and any amendments thereto made from time to time apply to all clearing agents and brokers irrespective of the dates on which their licences have been or are issued, unless the Collector specially exempts any existing holder of a permanent or provisional licence from the operation of any of these rules:—

1. There shall be only two classes of Custom House agents, viz. (1) clearing agents and (2) brokers.

2. The number of licences granted to clearing agents and brokers will ordinarily be limited to 25 and 110 respectively, but the Collector of Customs reserves to himself the right of increasing or decreasing this number.

3. (a) Clearing agent's and broker's licences will be granted subject to the following conditions:—

(i) Ordinarily a clearing agent's licence will be granted to firms of established position only and a broker's licence to individuals.

(ii) The firm or applicant must be one whose respectability and reliability are fully vouched for by a bank or person or persons well known in the department. Individual applicants must produce at least two certificates of character, one from a Justice of the Peace and the other from a person of position and of known respectability. Each applicant must also declare that he has never been convicted of any criminal offence or adjudged an insolvent.

(iii) The financial position of the applicant must be thoroughly satisfactory.

(iv) The applicant should produce letters from at least six firms of standing expressing their readiness to employ him as their clearing agent or broker.

(v) The applicant must possess a fair knowledge of English and the local vernaculars and also of the Custom House rules and procedure.

(vi) As a guarantee, of his faithful behaviour as regards the Custom House regulations and officers, a clearing agent will be required to deposit Rs. 500 and a broker Rs. 100 in the Post Office Savings Bank account and to pledge the pass book with the Collector of Customs. Government paper of an equivalent market value endorsed in favour of the Collector of Customs will be accepted. He will also execute a bond for the amount of deposit in the prescribed form (Form No. I). In addition, every clearing agent and broker will be required to furnish another bond (Form No. II) with a suitable sole surety approved by the Collector for Rs. 500 or, alternatively, to make a deposit, in the manner aforesaid, of Rs. 1,000 and Rs. 600 instead of Rs. 500 and Rs. 100 respectively.

(vii) The applicant must agree either to work personally or through clerks licensed under section 203 of the Sea Customs Act. He shall not on any account utilize the services of unauthorized men.

(b) Applications for licences are liable to be rejected without reasons being assigned therefor.

4. A clearing agent or broker licensed under these rules should furnish the Collector every twelve months (in January of each year) with a letter signed by the surety stating his willingness to continue to act as surety. It shall also be binding on the clearing agents and brokers to bring to the notice of the Collector of Customs the death or insolvency of the surety or his inability satisfactorily to discharge his obligations. There is no objection to one clearing agent or broker standing surety for another, or one person standing surety for more than one clearing agent or broker, provided he can satisfy the Collector that he has sufficient property to cover his liability. They shall immediately intimate to the Collector changes, if any, in their or their surety's addresses.

5. There is no restriction as to the number of clerks a clearing agent may employ. But a broker can employ only one clerk on payment of an additional cash deposit of Rs. 250. Such employment is subject to the following conditions:—

(i) That the extent of his business necessitates the employment of a clerk;

(ii) that the person nominated is of satisfactory character and sufficient education to read and write English and possesses sufficient knowledge of Customs procedure.

(iii) that the clearing agent or broker acknowledges responsibility for his clerk's actions as if they were his own.

(iv) that no clerk shall work for any but his own master.

Such clerks will be licensed under section 203 of the Sea Customs Act. No clerk shall be employed by them to do their work in the Custom House without the previous sanction of the Collector. Any breach of this order will render their licences liable to cancellation. Applications should be made to the Collector for such permission which will only be granted after full enquiry as to the character of the person for whom such application has been made.

With the prior permission of the Assistant Collector, clearing agents and brokers may also employ other similarly licensed persons to assist them *occasionally* in case of necessity.

NOTE.—This rule will not affect the privilege of employing clerks now enjoyed by brokers who have made a deposit of Rs. 400 under the old rules.

6. Clearing agents and brokers will be held responsible for seeing that all documents prepared or presented by them are strictly in accordance with the orders relating thereto. The bills shall in all cases be endorsed by them at the top right hand corner with their own signatures and number of their licences. They are also permitted to sign at the bottom of the bills on behalf of the owners and will in such cases be deemed to be the owners of such goods under section 4 of the Sea Customs Act.

7. Clearing agents and brokers will be required to maintain accounts in such form and manner as may be prescribed from time to time (vide Annexure A) and submit them for inspection in the beginning of each calendar year. Misconduct or failure to maintain accounts or to submit them for inspection, whenever required, will render their licence liable to suspension or cancellation. A licence will also be liable to cancellation if the Collector is satisfied at any time that the volume of work done by the holder is so small that in his opinion the licence is not justified.

8. Any licence granted under the above rules is not transferable by sale or otherwise. Any transfer, or attempt at transfer, will render it immediately invalid.

9. Should the holder of any of the licences granted under these rules be found to have contravened any of the above conditions or other Customs rules and regulations or to have been guilty of misbehaviour in case of any allegation or complaint made against him he may be fined and the licence granted to him suspended or cancelled.

10. If a licence holder wishes to employ a person under him for training, a temporary licence, for three months in the first instance, may be issued to that person provided the Collector is satisfied that the applicant is otherwise suitable for holding a clerk's licence under a recognized agent or broker. The principal must sign an agreement undertaking responsibility for all his actions and otherwise conform to the provisions of rule 5 above. The Collector in his discretion may waive the furnishing of extra security for persons applying for such temporary licences.

11. (a) Licences will be issued free of fee and on payment of a sum of 4 annas towards the cost of the form.

(b) Duplicates of licences reported to have been lost will not be issued without obtaining specific orders from the Assistant Collector, Imports and Exports, and care should be exercised in their issue. A fee of Rs. 2 should be charged.

12. When the services of a clerk are dispensed with, his licence should be returned for cancellation.

13. The grant of licences under these rules does not confer a right to be accommodated in the Custom House.

14. Security deposits of persons whose licences are cancelled will be refundable only after six months from the date of cancellation of their licences. The security and the surety bonds executed will also be returned duly cancelled after the expiration of the above period.

Power of Court to appoint arbitrator or umpire.

8. (1) In any of the following cases—

(a) where an arbitration agreement provides that the reference shall be to one or more arbitrators, and all the parties do not, after differences have arisen, concur in any of the appointments; or,

(b) if any appointed arbitrator or umpire neglects or refuses to act, or is incapable of acting, or dies or is removed, and the arbitration agreement does not show that it was intended that the vacancy should not be supplied, and the parties or the arbitrators, as the case may be, do not supply the vacancy, or

(c) where the parties or the arbitrators are required to appoint an umpire and do not appoint him;

any party may serve the other parties or the arbitrators, as the case may be, with a written notice to concur in the appointment or in supplying the vacancy.

(2) If the appointment is not made within seven clear days after the service of the said notice, the Court may, on the application of the party who gave the notice and after giving the other parties an opportunity of being heard, appoint an arbitrator or arbitrators or umpire, as the case may be, who shall have like power to act in the reference and to make an award as if he or they had been appointed by consent of all parties.

Power to party to appoint new arbitrator in certain cases, a sole arbitrator.

9. Where an arbitration agreement provides that a reference shall be to two arbitrators, one to be appointed by each party, then, unless a different intention is expressed in the agreement,—

(a) if either of the appointed arbitrators refuses to act, or is incapable of acting, or dies, or is removed, the party who appointed him may appoint a new arbitrator in his place;

(b) if one party fails to appoint an arbitrator, either originally or by way of substitution as aforesaid, for seven clear days after receipt of a notice in writing to make the appointment from the other party, such other party having appointed his arbitrator before giving the notice, the party who has appointed an arbitrator may appoint that arbitrator to act as sole arbitrator in the reference, and his award shall be binding on both parties as if he had been appointed by consent:

Provided that the Court may set aside any appointment as sole arbitrator made under clause (b) and either, on sufficient cause being shown, allow further time to the defaulting party to appoint an arbitrator or pass such other order as it thinks fit.

Provisions as to appointment of three or more arbitrators.

10. (1) Where an arbitration agreement provides that a reference shall be to three arbitrators, one to be appointed by each party and the third by the two appointed arbitrators, the agreement shall have effect as if it provided for the appointment of an umpire, and not for the appointment of a third arbitrator, by the two arbitrators appointed by the parties.

(2) Where an arbitration agreement provides that a reference shall be to three arbitrators to be appointed otherwise than as mentioned in sub-section (1), the award of the majority shall prevail.

(3) Where an arbitration agreement provides for the appointment of more arbitrators than three, the award of the majority, if any, shall prevail, or if the arbitrators are equally divided in their opinions, the award of the umpire shall prevail.

Power to Court to remove arbitrators or umpire in certain circumstances.

11. (1) The Court may, on the application of any party to a reference, remove an arbitrator or umpire who fails to use all reasonable dispatch in entering on and proceeding with the reference and making an award.

(2) The Court may remove an arbitrator or umpire who has misconducted himself or the proceedings.

(3) Where an arbitrator or umpire is removed under this section, he shall not be entitled to receive any remuneration in respect of his services.

(4) For the purposes of this section the expression "proceeding with the reference" includes, in a case where reference to the umpire becomes necessary, giving notice of that fact to the parties and to the umpire.

Power of Court where arbitrator is removed or his appointment revoked.

12. (1) Where the Court removes an umpire who has not entered on the reference or one or more arbitrators (not being all the arbitrators), the Court may, on the application of any party to the arbitration agreement, appoint persons to fill the vacancies.

(2) Where the appointment of an arbitrator or arbitrators or an umpire is revoked by leave of the Court, or where the Court

removes an umpire who has entered on the reference or a sole arbitrator or all the arbitrators, the Court may, on the application of any party to the arbitration agreement, either—

(a) appoint a person to act as sole arbitrator in the place of the person or persons displaced, or

(b) order that the arbitration agreement shall cease to have effect with respect to the difference referred.

(3) A person appointed under this section as an arbitrator or umpire shall have the like power to act in the reference and to make an award as if he had been appointed in accordance with the arbitration agreement.

Powers of arbitrator.

13. The arbitrators or umpire acting under an arbitration agreement shall, unless a different intention is expressed in the agreement, have power to—

(a) administer oath to the parties and witnesses appearing;

(b) state a special case for the opinion of the Court on any question of law involved, or state the award, wholly or in part, in the form of a special case on such question for the opinion of the Court;

(c) correct in an award any clerical mistake or error arising from any accidental slip or omission;

(d) administer to any party to the arbitration such interrogatories as may, in the opinion of the arbitrators or umpire, be necessary.

Award to be signed and filed.

14. (1) When the arbitrators or umpire have made their award, they shall sign it and shall give notice to the parties of the making and signing thereof and of the amount of fees and charges payable in respect of the arbitration and award.

(2) The arbitrators or umpire shall, at the request of any party to the arbitration agreement or any person claiming under such party and upon payment of the fees and charges due in respect of the arbitration and award and of the costs and charges of filing the award, cause the award or a signed copy of it, together with any depositions and documents which may have been taken and proved before them, to be filed in Court, and the Court shall thereupon give notice to the parties of the filing of the award.

(3) Where the arbitrators or umpire state a special case under clause (b) of section 13, the Court shall pronounce its opinion thereon and such opinion shall be added to, and shall form part of, the award.

Power of Court to modify award.

15. The Court may by order modify or correct an award—

(a) where it appears that a part of the award is upon a matter not referred to arbitration and such part can be separated from the other part and does not affect the decision on the matter referred; or

(b) where the award is imperfect in form, or contains any obvious error which can be amended without affecting such decision; or

(c) where the award contains a clerical mistake or an error arising from an accidental slip or omission.

Power to remit award.

16. (1) The Court may from time to time remit the award or any matter referred to arbitration to the reconsideration of the arbitrators or umpire upon such terms as it thinks fit—

(a) where the award has left undetermined any of the matters referred to arbitration, or where it determines any matter not referred to arbitration and such matter cannot be separated without affecting the determination of the matters referred; or

(b) where the award is so indefinite as to be incapable of execution; or

(c) where an objection to the legality of the award is apparent upon the face of it.

(2) Where an award is remitted under sub-section (1) the Court shall fix the time within which the arbitrator or umpire shall submit his decision to the Court.

(3) An award remitted under sub-section (1) shall become void on the failure of the arbitrator or umpire to reconsider it and submit his decision within the time fixed.

Judgment in terms of award.

17. Where the Court does not cause to remit the award or any of the matters referred to arbitration for reconsideration[4] or to set aside the award, the Court shall, after the time for making an application to set aside the award has expired, or such application having been made, after refusing it, proceed to pronounce judgment according to the award, and upon the judgment so pronounced a decree shall follow, and no appeal shall lie from such decree except on the ground that it is in excess of, or not otherwise in accordance with, the award.

Power of Court to pass interim orders.

18. (1) Notwithstanding anything contained in section 17, at any time after the filing of the award, whether notice of the filing has been served or not, upon being satisfied by affidavit or otherwise that a party has taken steps to defeat, delay or obstruct the execution of any decree that may be passed upon the award, or that speedy execution of the award is just and necessary, the Court may pass such interim orders as it deems necessary.

(2) Any person against whom such interim orders have been passed may show cause against such orders, and the Court, after hearing the parties, may pass such further orders as it deems necessary and just.

Power to supersede arbitration when award becomes void or is set aside.

19. Where an award has become void under sub-section (3) of section 16 or has been set aside, the Court may by order supersede the reference and shall thereupon order that the arbitration agreement shall cease to have effect with respect to the difference referred.

Jurisdiction.

20. (1) Subject to the provisions of this Act, an award may be filed in any Court having jurisdiction in the matter to which the reference relates.

(2) Notwithstanding anything contained in any other law for the time being in force and save as otherwise provided in this Act, all questions regarding the validity, effect or existence of an award or an arbitration agreement shall be decided by the Court in which the award under the agreement has been, or may be, filed, and by no other Court.

(3) All applications regarding the conduct of arbitration proceedings or otherwise arising out of such proceedings shall be made to the Court where the award has been, or may be, filed, and to no other Court.

(4) Notwithstanding anything contained elsewhere in this Act or in any other law for the time being in force, where in any reference any application under this Act has been made in a Court competent to entertain it, that Court alone shall have seisin over the arbitration proceedings and all subsequent applications arising out of that reference and the arbitrating proceedings shall be made in that Court and in no other Court.

CHAPTER III.

Arbitration with intervention of a Court where there is no suit pending.

Application to file in Court arbitration agreement.

21. (1) Where any persons have entered into an arbitration agreement before the institution of any suit with respect to the subject-matter of the agreement or any part of it, and where a difference has arisen to which the agreement applies, they or any of them, instead of proceeding under Chapter II, may apply to a Court having jurisdiction in the matter to which the agreement relates, that the agreement be filed in Court.

(2) The application shall be in writing and shall be numbered and registered as a suit between one or more of the parties interested or claiming to be interested as plaintiff or plaintiffs and the remainder as defendant or defendants, if the application has been presented by all the parties, or if otherwise, between the applicant as plaintiff and the other parties as defendants.

(3) On such application being made, the Court shall direct notice thereof to be given to all parties to the agreement other than the applicants, requiring them to show cause within the time specified in the notice why the agreement should not be filed.

(4) Where no sufficient cause is shown, the Court shall order the agreement to be filed, and shall make an order of reference to the arbitrator appointed by the parties, whether in the agreement or otherwise, or where the parties cannot agree upon an arbitrator, to an arbitrator appointed by the Court.

(5) Thereafter the arbitration shall proceed in accordance with, and shall be governed by, the provisions of Chapter II so far as they can be made applicable.

CHAPTER IV.

Arbitration in Suits.

Parties to suit may apply for order of reference.

22. (1) Where in any suit all the parties interested agree in writing that any matter in difference between them in the suit shall be referred to arbitration, they may at any time before judgment is pronounced apply to the Court for an order of reference.

(2) Every such application shall be in writing and the arbitration agreement or a copy thereof shall accompany the application.

Appointment of arbitrator.

23. The arbitrator shall be appointed in such manner as may be agreed upon between the parties to the arbitration agreement.

Order of reference.

24. (1) The Court shall, by order, refer to the arbitrator the matter in difference which he is required to determine, and shall in the order specify such time as it thinks reasonable for the making of the award.

(2) Where a matter is referred to arbitration, the Court shall not, save in the manner and to the extent provided in this Act, deal with such matter in the suit.

Reference to arbitration by some of the parties.

25. Where some only of the parties to a suit apply to have the matters in difference between them referred to arbitration in accordance with, and in the manner provided by, section 22, the Court may, if it thinks fit, so refer such matters to arbitration (provided that the same can be separated from the rest of the subject-matter of the suit) in the manner provided in that section, but the suit shall continue so far as it relates to the parties who have not joined in the said application and to matters not contained in the said reference as if no such application has been made, and an award made in pursuance of such a reference shall be binding only on the parties who have joined in the application.

Provisions applicable to arbitrations under this Chapter.

26. (1) The provisions of sections 8, 10, 11 and 12 shall apply to arbitrations under this Chapter:

Provided that the Court may, in any of the circumstances mentioned in those sections, instead of filling up the vacancies or making the appointments, make an order superseding the arbitration and proceed with the suit.

(2) The provisions of sections 13 to 19 (both inclusive) shall apply to arbitrations under this Chapter:

Provided that where the Court makes an order superseding the arbitration under section 19, it shall proceed with the suit.

CHAPTER V.

General.

Application of Chapter.

27. Save as otherwise provided in this Act, the provisions of this Chapter shall apply to all arbitrations.

Power of arbitrators to make an interim award.

28. (1) Unless a different intention appears in the arbitration agreement, the arbitrators or umpire may, if they think fit, make an interim award.

(2) All references in this Act to an award shall include references to an interim award made under sub-section (1).

Power to Court only to enlarge time for making award.

29. (1) The Court may, if it thinks fit, whether the time for making the award has expired or not and whether the award has been made or not, enlarge from time to time the time for making the award.

(2) Any provision in an arbitration agreement whereby the arbitrators or umpire may enlarge time for making the award shall be void and of no effect.

Interest on awards.

30. A sum directed to be paid by an award shall, unless the award otherwise directs, bear interest at the rate of six *per centum per annum* from the date of the award.

Grounds for setting aside award.

31. An award shall not be set aside except on one or more of the following grounds, namely:—

(*a*) that an arbitrator or umpire has misconducted himself or the proceedings;

(*b*) that a party has been guilty of fraudulent concealment of any matter which he ought to have disclosed, or has wilfully misled or deceived the arbitrator or umpire;

(*c*) that an award has been made after the issue of an order by the Court superseding the arbitration or after arbitration proceedings have become invalid under section 35;

(*d*) that an award has been improperly procured or is otherwise invalid.

Bar to suits contesting arbitration agreement or award.

32. Notwithstanding any law for the time being in force, no suit shall lie on any ground whatsoever for a decision upon the existence, effect or validity of an arbitration agreement or award, nor shall any arbitration agreement or award be set aside, amended, modified or in any way affected otherwise than as provided in this Act.

Arbitration agreement or award to be contested by application.

33. Any person desiring to challenge the existence or validity of an arbitration agreement or an award or to have the effect of either determined shall apply to the Court and the Court shall decide the question on affidavits:

Provided that where the Court deems it just and expedient, it may set down the application for hearing on other evidence also, and it may pass such orders for discovery and particulars as it may do in a suit.

Power to stay legal proceedings where there is an arbitration agreement.

34. Where any party to an arbitration agreement or any person claiming under him commences any legal proceedings against any other party to the agreement or any person claiming under him in respect of any matter agreed to be referred, any party to such legal proceedings may, at any time before filing a written statement or taking any other steps in the proceedings, apply to the judicial authority before which the proceedings are pending to stay the proceedings, and if satisfied that there is no sufficient reason why the matter should not be referred in accordance with the arbitration agreement and that the applicant was, at the time when the proceedings were commenced, and still remains, ready and willing to do all things necessary to the proper conduct of the arbitration, such authority may make an order staying the proceedings.

Effect of legal proceedings on arbitration.

35. (1) No reference nor award shall be rendered invalid by reason only of the commencement of legal proceedings upon the subject-matter of the reference, but when legal proceedings upon the whole of the subject-matter of the reference have been commenced between all the parties to the reference and a notice thereof has been given to the arbitrators or umpire, all further proceedings in a pending reference shall, on the expiry of the time for making an application under section 34 or on the rejection of such an application, be invalid.

(2) In this section the expression "parties to the reference" includes any persons claiming under any of the parties and litigating under the same title.

Power of Court where arbitration agreement is ordered not to apply to a particular difference, to order that a provision making an award a condition precedent to an action shall not apply to such difference.

36. Where it is provided (whether in the arbitration agreement or otherwise) that an award under an arbitration agreement shall be a condition precedent to the bringing of an action with respect to any matter to which the agreement applies, the Court, if it orders (whether under this Act or any other law) that the agreement shall cease to have effect as regards any particular difference, may further order that the said provision shall also cease to have effect as regards that difference.

Limitation

37. (1) All the provisions of the Indian Limitation Act, 1908, shall apply to arbitrations as they apply to proceedings in Court. IX of 1908.

(2) Notwithstanding any term in an arbitration agreement to the effect that no cause of action shall accrue in respect of any matter required by the agreement to be referred until an award is made under the agreement, a cause of action shall, for the purpose of limitation, be deemed to have accrued in respect of any such matter at the time when it would have accrued but for that term in the agreement.

(3) For the purposes of this section and of the Indian Limitation Act, 1908, an arbitration shall be deemed to be commenced when one party to the arbitration agreement serves on the other parties thereto a notice requiring the appointment of an arbitrator, or where the arbitration agreement provides that the reference shall be to a person named or designated in the agreement, requiring that the difference be submitted to the person so named or designated.

(4) Where the terms of an agreement to refer future differences to arbitration provide that any claims to which the agreement applies shall be barred unless notice to appoint an arbitrator is given or an arbitrator is appointed or some other step to commence arbitration proceedings is taken within a time fixed by the agreement, and a difference arises to which the agreement applies, the Court, if it is of opinion that in the circumstances of the case undue hardship would otherwise be caused and notwithstanding that the time so fixed has expired, may on such terms, if any, as the justice of the case may require, extend the time for such period as it thinks proper.

(5) Where the Court orders that an award be set aside or orders, after the commencement of an arbitration, that the arbitration agreement shall cease to have effect with respect to the difference referred, the Court may further order that the period between the commencement of the arbitration and the date of the order of the Court shall be excluded in computing the time prescribed by the Indian Limitation Act, 1908, for the commencement of the proceedings (including arbitration) with respect to the difference referred

Disputes as to arbitrator's remuneration or costs.

38. (1) If in any case an arbitrator or umpire refuses to deliver his award except on payment of the fees demanded by him, the Court may, on an application in this behalf, order that the arbitrator or umpire shall deliver the award to the applicant on payment into Court by the applicant of the fees demanded, and shall, after such inquiry, if any, as it thinks fit, further order that out of the money so paid into Court there shall be paid to the arbitrator or umpire by way of fees such sum as the Court may consider reasonable and that the balance of the money, if any, shall be refunded to the applicant.

(2) An application under sub-section (1) may be made by any party to the reference unless the fees demanded have been fixed by written agreement between him and the arbitrator or umpire and the arbitrator or umpire shall be entitled to appear and be heard on any such application.

(3) The Court may make such orders as it thinks fit respecting the costs of an arbitration where any question arises respecting such costs and the award contains no sufficient provision concerning them.

CHAPTER VI.

Appeals.

Appealable orders.

39. (*1*) An appeal shall lie from the following orders passed under this Act (and from no others) to the Court authorised by law to hear appeals from original decrees of the Court passing the order.—

Service of notice by party or arbitrator.

42. Any notice required by this Act to be served otherwise than through the Court by a party to an arbitration agreement or by an arbitrator or umpire shall be served in the manner provided in the arbitration agreement, or if there is no such provision, either—

(*a*) by delivering it to the person on whom it is to be served, or
(*b*) by leaving it at the usual or last known place of abode in British India of that person, or

Power of Court to issue processes for appearance before arbitrator.

Act to apply to all arbitrations.

47. The provisions of this Act shall, subject to section 46, apply to all arbitrations and to all proceedings thereunder and any arbitration award otherwise obtained shall not be enforceable for any purpose and shall not, except on the application of all the parties concerned, be taken into consideration by a Court as a compromise or adjustment of a suit.

STATEMENT OF OBJECTS AND REASONS.

The law of arbitration in British India is at present substantially contained in two enactments, the Indian Arbitration Act, 1899 (IX of 1899) and the Second schedule to the Code of Civil Procedure, 1908. The operation of the 1899 Act is limited to the Presidency-towns and to such other areas as it may be extended by the appropriate Provincial Government: its scope is confined to "arbitration by agreement without the intervention of a Court". The Second Schedule to the Code of Civil Procedure deals with arbitrations outside the operation and scope of the 1899 Act: it relates for the most part to arbitration in suits, though arbitration without intervention of a Court is also briefly provided for. This Schedule also contains an alternative method whereby the parties to a dispute or any of them may file their arbitration agreement before a Court which after a certain procedure, refers the matter to an arbitrator.

2. The question of amending and consolidating this law is not new. The Civil Justice Committee in 1925, recommended several changes in the arbitration law. The Act of 1899, was based largely on the then English law, to which several substantial amendments have been effected by an amending Act of Parliament in 1934 (24 & 25 Geo. 5, c. 14). In 1938 the Central Government placed an officer on special duty to examine the question, and the present Bill is the outcome of this examination. The existing law, the amended English law and the recommendations of the Civil Justice Committee have been scrutinised together, and the present Bill, which seeks to consolidate and standardise the law relating to arbitration throughout British India, in its detail extracts from the sources referred to those principles of law which, it is considered, are most suitable to British India.

3. More detailed explanations of the several clauses of the Bill are contained in the notes on clauses appended.

The 18th July 1939.

NOTES ON CLAUSES.

Clauses 3, 4 and 5 reproduce with minor alterations the provisions of sections 6, 7 and 5 respectively of the 1899 Act, and deal with the terms of arbitration agreements.

Clauses 6 and 7 follow closely sections 1 and 2 of the Arbitration Act, 1934 (24 and 25 Geo. 5, c. 14); their purpose is to standardise the law as to the effect on an arbitration agreement and proceedings of the death or insolvency of a party thereto.

Clause 8 dealing with the Court's power to appoint an arbitrator in certain cases, reproduces with some verbal changes section 8 of the 1899 Act.

Clause 9 amends section 9 of the 1899 Act in the following directions: provision is made to suit mofussil conditions by making it clear that the defaulting party's time for appointing an arbitrator runs only from the receipt of notice, and the proviso is elaborated (*a*) to make it clear that it is only in the arbitrator's capacity as sole arbitrator (and not as the arbitrator of the party appointing him) that the Court may set aside the appointment, and (*b*) to permit the Court, on sufficient cause being shown, to allow further time to the defaulting party, or in any event to make such alternative order as it thinks fit.

Clause 10 makes provision for cases in which more than two arbitrators are appointed. The first two sub-clauses follow closely section 4 of the 1934 Act of Parliament

Clause 11 empowers the Court to remove a dilatory arbitrator or umpire or one who misconducts himself or the proceedings. Section 16 of the 1899 Act and sections 6 and 16 of the 1934 Act of Parliament have been drawn on

Clause 12 which follows section 3 of the 1934 Act of Parliament makes provisions for the consequences of the removal of arbitrators. (See also clause 36.)

Clause 13 sets out the powers of arbitrators: it is based to some extent on section 16 of the 1899 Act and on paragraph 11 of the Second Schedule to the Code of Civil Procedure, 1908

Clause 14 relating to the procedure in filing an award, reproduces section 11 of the 1899 Act with two small changes in sub-clause (*2*): the provision of paragraph 10 of the Second Schedule to the Code, requiring that depositions and documents shall accompany the award, is included, and the notice of filing is to be issued by Court and not by the arbitrator as in the 1899 Act.

Clause 15 dealing with the Court's powers to correct an award, reproduces without change paragraph 12 of the Second Schedule to the Code.

Clause 16 deals with the Court's powers to remit an award for reconsideration Sub-clause (*1*) repeats without change paragraph 14 of the Second Schedule to the Code, and the remaining sub-clauses reproduce the substance of the first sentence of paragraph 15 (*1*) *ibid.*

Clause 17 follows with minor alterations paragraph 16 of the Second Schedule to the Code. Herein lies one of the substantial points of difference in the existing law: under the Code, judgment is entered in accordance with the award and a decree follows. Under the 1899 Act (following the then English law) an award is executable as a decree but is not a decree for all purposes. The 1934 Act of Parliament has changed the English law in this respect, and by this clause it is proposed to standardise the law in the direction of providing that judgment shall be pronounced in the terms of the award and that a decree shall follow

Clause 18.—In following the Civil Procedure Code, clause 17 seeks to amend the existing law in places where the 1899 Act is in force in another manner. At present under that Act an award is immediately enforceable as a decree, and one High Court has held that it may be executed under section 15 (*1*) of that Act even though the notice of filing under section 11 (*2*) has not been given. This position is at variance both with the Code and with the English law, and it is now proposed to make the decree only after the time for challenging the award has expired or when such a challenge if made has been rejected. This clause, taken from the English rules of Court, is a corollary to clause 17 in the sense that it enables the Court to counter in the interval any action designed to defeat the subsequent execution of the decree.

Clause 19 provides that where an award becomes void or is set aside, the Court may supersede the reference and order that the agreement shall cease to have effect with respect to the particular difference referred. The clause generalises the provisions of paragraph 15 (*2*) of the Second Schedule to the Code.

Clause 20 deals with jurisdiction. It provides that all the matters relating to a single reference shall be before the same Court, and that where there is a choice of forum, it shall be determined by the first application made to a Court in relation to a reference.

Clause 21 is based upon paragraph 17 of the Second Schedule to the Code. It allows the parties to an arbitration agreement or any of them to initiate the reference proceedings with the assistance of the Court.

Clauses 22 to 24 reproduce substantially paragraphs 1 to 3 of the Second Schedule of the Code. They set out the initial steps to be taken for arbitration in a suit.

Clause 25 is a new provision. It is possible that some parties only to a suit may be agreeable to having the differences between them settled by arbitration. This clause will permit this to be done provided that those differences can be separated from the rest of the subject-matter of the suit.

Clause 26 applies with necessary modification certain other provisions of the Bill to arbitrations in suits.

Clause 28 is a new provision, based on the 1934 Act of Parliament, and conferring on arbitrators the power to make an interim award.

Clause 29.—Under the 1899 Act the arbitrators or umpire can themselves enlarge their time for making an award, though it seems that they must do so before the time actually expires. Under the Code it is the Court which has this power. The clause proposes that the power should in all cases vest in the Court only, who may extend the time whether the time has expired or not or whether the award has actually been made or not.

Clause 30 makes necessary provision as to interest when the award makes no provision therefor. It is based on a similar provision in the 1934 Act of Parliament (section 11).

Clause 31 follows paragraph 11 of the Second Schedule to the Code in setting out the grounds on which an award may be set aside.

Clauses 32 and 33 provide that an arbitration agreement or award shall be contested only by application and not by suit. This proposal was made by the Civil Justice Committee and is in consonance with the general principle that the law of arbitration should provide simple, speedy and cheap settlement of differences.

Clause 34 deals with the staying of a suit where a reference concerning the subject-matter of the suit and between the same parties is pending. It continues the existing law contained in section 19 of the 1899 Act and paragraph 18 of the Second Schedule to the Code.

Clause 35 relates to the effect of subsequent legal proceedings on a pending reference. Such proceedings will not affect the reference unless (*a*) they relate to the whole of the referred matter and (*b*) all the parties to the reference are impleaded in the proceedings. Where these conditions are fulfilled, the legal proceedings will nullify the arbitration proceedings on the expiry of the time within which an application to stay the legal proceedings may be made or on the refusal of such an application.

Clause 36 is based on section 3 (*4*) of the 1934 Act of Parliament, and supplies an omission in the present Indian law. An agreement may contain a clause that no legal proceedings shall be taken on a certain matter unless the matter has first been made the subject-matter of an award. It is necessary to empower the Court to overrule this provision when the award is set aside or otherwise becomes void.

Clause 37 makes provision as to limitation in arbitration matters and follows closely section 16 of the 1934 Act of Parliament.

Clause 38 deals with disputes as to the arbitrator's fees and costs, and follows generally section 13 of the 1934 Act of Parliament and paragraph 18 of the Second Schedule to the Code. The Court may require the arbitrator to deliver up the award on the deposit into Court of the amount he claims, and may then investigate the claim and grant to the arbitrator such sum as fees as it thinks reasonable

Clause 39 deals with appeals and replaces that part of section 104 *(1)* of the Code of Civil Procedure, 1908, which this Bill seeks to repeal.

Clause 40 has the effect of providing that Small Cause Courts shall not deal with arbitrations other than arbitrations in suits before it

Clause 41 and the Second Schedule deal with procedure. The clause confers generally the same powers as the Court enjoys under the Code of Civil Procedure and with the Schedule adds certain special powers in relation to arbitrations on the lines of section 8 (*1*) of the 1934 Act of Parliament.

Clause 42 makes provision for the service of notices under the Bill between parties or between arbitrator and parties

Clause 43 follows paragraph 7 of the Second Schedule to the Code in requiring the Court to assist the arbitrator to enforce the production of evidence and empowering the Court to punish default or contempt before the arbitrators as if it were committed before the Court

Clause 44 reproduces with small changes section 20 of the 1899 Act and empowers High Courts to make rules

Clause 45 repeals section 22 of the 1899 Act and binds the Crown.

Clause 46 applies with certain exceptions the provisions of the Bill to statutory arbitrations, and is based on section 23 of the 1934 Act of Parliament.

Clause 47 applies, subject to clause 46, the Bill to all arbitrations, and renders an arbitration award obtained otherwise, unenforceable. The clause replaces section 89 of the Code of Civil Procedure, 1908, which this Bill repeals

Clause 48 saves references pending at the commencement of this enactment: such references will continue to be governed by the existing law.

The First Schedule follows the First Schedule to the 1899 Act. The main differences are (*a*) arbitrators are required to appoint an umpire within a month of their own appointment, (*b*) the power to enlarge the time for making the award is transferred to the Court (*cf.* clause 29), and (*c*) item VII is omitted as redundant in view of clause 13 (*a*).

The Third Schedule with clause 49 (*1*) repeals the existing general arbitration law.

The Fourth Schedule makes certain consequential amendments of which those to the Limitation Act are the most important. The second amendment of the Specific Relief Act, 1877, replaces section 3 of the 1899 Act.
